

Commodore's Corner

I am writing this before going away for a wedding in the US, so anything that has happened since the 20th will have to wait until next month.

It is still a pity that there are not more boats on the water sailing or racing, particularly on a Sunday. Even Wednesday evening seem light on the ground (water!).

Steve is still having problems identifying who has actually sailed a boat in a particular race. As trophies are, in the main, awarded to a helm and not the boat, sail numbers are not sufficient on their own. Please remember that if the information is incomplete, you will not be credited with the points that you should be.

Jane Hodges is getting on well with keeping the premises clean and tidy. However, on several occasions she has found washing up still in the water in a bowl, in the sink; also left in the draining basket and on one occasion a stray bird had left evidence of it sitting on the glasses. Please wash up, dry and put away.

On the 7th September, there is a General Knowledge Quiz. Please start thinking about this now and making up a team and join in a fun and light hearted evening, enjoying supper at the same time.

You will see elsewhere that the Comet and Laser Opens planned for September have been cancelled and, in their place, we will be holding another min-regatta on Sunday 15th September. Following the success of the recent one, we hope that this will be as well supported.

Thanks to Wendy (again) we now have yet another course board cover. Will you please treat it with respect, apply the Velcro fasteners to it and make sure it is put on at the end of each session. Try not to leave it blowing around in the wind on the pathway.

The Trojans are here!

We had a busy Trojans session on Saturday 6th July, with sunshine and the perfect amount of wind. Throughout the day, we had 16 children on the water ranging from 3 to 16 years old. They used a variety of boats including Oppies, Picos and the Laser; the kayaks and paddle board were also very popular with a lot of swimming!

Thanks to Scott for providing safety cover; Toby and Alex for taking out some of the younger sailors and Sue for providing the BBQ.

Please note that the September session, programmed for Saturday 14th September has been moved to the following day, Sunday 15th September. More information about that will appear elsewhere.

Louise

The next session will be on the 3rd August, we hope to see you there..

Sailing and Social Update

Firstly, the proposed Comet and Laser Open meetings on the 7th September have been **CANCELLED**.

Instead, following the success of the Regatta and BBQ lunch held a few weeks ago, the Committee have decided to hold another similar event on **SUNDAY 15th SEPTEMBER**. This will be a FUN event; the regular Sunday programme will be replaced with novelty races and other interesting variations to normal races.

There will also be a BBQ lunch along the lines of the one we held recently, when the ladies were praised by many of those who attended for the quality and value of what was laid on.

The September meeting for the Trojans has been moved from the day before, the 14th, to the Sunday so that they will all be there as well. All in all, it should be a great fun family day for all the family to enjoy.

The week before, we are holding a **GENERAL KNOWLEDGE QUIZ** and Supper. This is an ideal opportunity to get your friends together and make up a team and compete against everyone else. The questions will not be sailing related, but general ones, although one or two simple sailing ones may pop in, but you will not have to be an expert to answer them.

Perhaps some of the Trojans can make a team up?
Juniors will only have to pay **£5** each to join in.

Bookings can be made via the web site shortly.

Please make a note of these dates in your diaries.

Look out for further information in due course either in the Bulletins, information in the Clubhouse or on the web site at

www.rscsailing.org

The Club will be open on
Tuesday 13th and Wednesday 28th
August from 1300,
when U3A will be sailing.
All RSC members are welcome.

Rickmansworth Sailing Club's young star, 14-year old Chorleywooder **TOBY MCFARLANE**, took up dinghy sailing in 2016 after a (motor) cruising holiday on the Norfolk Broads.

His parents Andrew and Fiona met members of Rickmansworth Sailing Club (RSC) at a friend's 25th Wedding Anniversary celebrations at The Stag last year. At their invitation they took Toby along to Troy Lake the next day to have a look at the club, liked what they saw, and joined up.

Toby became the proud owner of an RS Tera sailing dinghy shortly afterwards, which he races most Sundays throughout the year (and Wednesday evenings in the summer) at the club which operates a handicap system to enable competitive racing between boats of different sizes. With friendly advice and informal coaching

from more experienced senior club members, Toby won the trophy for the RSC 'Frostbite' series of winter races.

Toby competes in RS Tera class races at other UK venues and is looking forward to sailing in the RS Tera World Games in Sweden next month !

At RSC's recent Open Day (Push The Boat Out) last May, Toby helped enrol some new members thanks to his enthusiasm and expertise.
