

Commodore's Corner

Hi all, for many members the last three weeks has turned much effort into over twenty new members, most seeking sail training. Their names are listed in the green box alongside.

We have now got to help our new members along the road to becoming experienced sailors. We are in very exciting times for the club and its future as we head towards our centenary in a little over ten years time. You will see that Pete Tobin and Liam Dowling have removed the far end of the boatshed, if anyone can help with the work, please contact Pete.

Peter and Liam have started work on the right hand side of the boatshed.

SAILORS CLUB

More about this in the July Troy Times but, if there are any RS Sailors in the Club who wish to know more before then, they should contact **Claudia Wilson** who is the RS Club Rep for RSC

Work has started on the right hand side elevation of the boatshed which will include the incorporation of the new workshop. If you have some spare time and would like to help with this project please contact the Rear Commodore, Peter Tobin, who looks forward to hearing from you soon!

Six Hour Race Sunday 16th July

On Sunday 16th July we are holding a fun six hour race and inviting potential members from 'The Feast of St Peter' and 'Croxley Revels' to join us. Keep an eye open for more information. You will need a team with a minimum three people per boat. Each person may be on the water for an hour, then off for two hours per team.

You may race in more than one team. We would like to have a couple of "visitor boats" in the race so, if you would volunteer for that in your 'downtime', the OOD team may award you extra points. Further rules and instructions will follow shortly. Please prepare to be Amy'd in the not too distant future.

All boats at the Club that have storage paid for should now have a green plastic tag attached to the launching trolley and a rectangular club sticker on the transom.

- ⇒ If your boat is missing either identifying marks please advise me.
- ⇒ Any new boats or sale of boats should be notified to me.
- ⇒ All club boats have a green tag with an ID number 1 to 50
